## VIRTUAL COMMUNITY MEETING

KI BOIS Area Transit System, a division of KI BOIS Community Action Foundation, Inc. will be holding 2 virtual community meetings, on February 25, 2021. The purpose of these meetings is to receive public input on our plans and application for operating a public transit system in Adair, Cherokee, Haskell, Hughes, Latimer, Leflore, McIntosh, Okfuskee, Okmulgee, Pittsburg, Sequoyah, and Wagoner counties.

The advantage of receiving open communication helps the program to better match service with needs. Public remarks assist staff with a better understanding of challenges and concerns from the community's perspective. Every ride and every rider matters. Open forums provide a place to share ideas and comments to enhance the rider experience, foster the community and create efficiencies in the program to fulfill the mission to provide safe and reliable public transportation in the areas we serve.
