Request for Renewal or Bonus Project Applications ONLY 07/26/2017

The Southeastern Oklahoma Continuum of Care (CoC) is accepting applications for renewal and permanent housing/rapid re-housing bonus projects for inclusion with the Continuum's 2017 Continuum of Care consolidated application to the U.S. Department of Housing and Urban Development (HUD). Due to funding limitations, HUD will not consider requests for new funding outside of the reallocation process, bonus projects, CoC planning and Unified Funding Agency costs.

The FY2017 CoC Program Competition will be administered under the [FY 2017 CoC Program Competition NOFA](#) and [24 CFR part 578](#).

In accordance with [Opening Doors: Federal Strategic Plan to Prevent and End Homelessness](#), HUD's policy priorities continue to focus on 1) ending homelessness for all persons, 2) creating a systemic response to homelessness, 3) strategically allocating and using resources, and 4) use of a Housing First approach. In order to achieve these priorities, HUD strongly encourages CoCs to include them as part of their local planning process. For more information on HUD's homeless policy and program priorities, please refer to [Section II of the Continuum of Care NOFA](#).

In order to ensure the Continuum's application is in line with HUD's national goals, priority will be given to renewal and bonus projects that are also in line with HUD's national goals.

The renewal project must be located in one or more of the Continuum counties listed above, currently in operation and have a signed agreement expiring between January 1, 2017 and December 31, 2017. Permanent Housing Bonus projects must also be located in one or more of the Continuum counties listed above and create new permanent supportive housing projects that meet the requirements of DedicatedPLUS (see definition below); will exclusively serve chronically homeless individuals and families, rapid re-housing projects that will serve individuals, families, including unaccompanied youth who come directly from the streets, emergency shelters, or are fleeing domestic violence, or other persons who meet the criteria outlined in the NOFA; or Joint Transitional Housing (TH) and Permanent Housing – Rapid Re-housing (PH-RRH) component projects. New projects created through a permanent housing bonus must meet the project eligibility and threshold requirements established by [HUD in Section V. of the Continuum of Care NOFA](#). The maximum amount allowed for a bonus project is 6% of the Continuum's pro-rata share. This is equal to \$83,714.00 for the FY'17 competition.

Applicants who submit project applications will be notified within 15 days of the final HUD deadline of September 28, 2017 whether their project will be accepted or rejected. Applicants whose projects are rejected will be notified in writing. Projects that believe they were not allowed to participate in a fair and open process and were rejected by the CoC may appeal the rejection directly to HUD by submitting as a Solo Application prior to the HUD application deadline.

CoC Application Deadline: Renewal and Bonus Applications – Monday, August 28, 2017 at 11:59 pm
